

# TEAM MIDGET

## Features

- Small, manoeuvrable, robust design
- Full sprayer controls
- Pump options to suit application
- Total tank drainage
- Standard CAT 1, 3-point linkage
- Robust welded steel tubular chassis and boom

120L x 3M version with optional hand lance kit

Standard Fittings	Optional Extras
<ul style="list-style-type: none"> <li>• 90L Main tank (100L gross)</li> <li>• 3M 6 nozzle manual fold &amp; lift spray boom</li> <li>• ½" Spray lines fitted with single nozzle assemblies (03 low drift IDK nozzles)</li> <li>• 3-Section manual spray and pressure controls with gauge</li> <li>• Hypro PTO Roller-vane pump (45Lpm @ 540 rpm)</li> <li>• CAT 1 3-point linkage chassis</li> </ul>	<ul style="list-style-type: none"> <li>• 120L tank (130L gross)</li> <li>• 4M spray boom (roller vane pump only)</li> <li>• Retractable hose reel &amp; lance</li> <li>• 7M Hand lance kit only</li> <li>• Walk-on boom</li> <li>• 12V Master spray on/off</li> <li>• Bout/foam marker</li> <li>• Full electric spray controls</li> <li>• XT nozzles</li> <li>• Wheels/axle and drawbar</li> </ul>

Tank	Boom	Nozzles	Pump	Controls
Impact resistant polythene	Manual rear folding with spring loaded outer sections	Anti-drip bodies with Lechlar low drift IDK nozzles	PTO Roller-vane (45Lpm @ 540 rpm)	Manual 3-section with pressure regulation & gauge

Supplied with an adjustable pressure 3-section control system, the Midget is a very robust scaled down mounted sprayer that has been designed for the professional Green keeper/Grounds man who requires a simple, efficient, and accurate small tractor mounted sprayer.

## Weights & Dimensions

Weight: 40Kg (empty)

Transport Width (3Mtr Boom): 1.2M

## GROUND CARE SPRAYER

Effective, Accurate, Controlled

400L x 6M version

# Team Club

## STANDARD FEATURES

### Controls

**Balanced manually operated** control valves to operate all spray and pressure functions.

**Work station** controlling primary functions to operate the sprayer and when cleaning or filling.

#### **Chemical inductor:**

20L hopper for safe transfer of liquids and powders via a high flow venturi system to the main tank, a rotary nozzle for cleaning containers.

#### **Diaphragm pump:**

High quality poly' diaphragm pump withstands any aggressive plant protection chemicals.

**Clothes storage:** For all PPE equipment.

**Clean water supply:** 15L for hand washing.

### Booms

#### **Boom construction:**

All booms are manufactured from steel tubular sections for strength and durability.

**Boom height adjustment:** Manual 6-8m; Winch 10 and 12m

**Boom storage system** secures boom assembly in the folded position.

**'Break back'** boom design is a standard feature on all models to avoid damage from unseen obstructions.

**Transport width:** Folds to compact - 1.9m (6m model); 2.4m (12m model).

#### **Tank flushing:**

50L clean water supply for main tank flushing with internal rotary nozzle.

## OPTIONAL EXTRAS

**Tank options:** 300L, 400L, 500L, 600L, 800L

**Boom options:** 6M, 7M, 8M, 10M, 12M manual folding or 6 - 8M electric or hydraulic folding.

**In cab electric spray controls** to operate all spray and pressure functions.

**Water suction:** enabling tank filling via the main pump.

**Dual covered boom system** for sensitive areas or windy conditions.

**Walk on boom** (lightweight boom system for greens)

**Hydraulic lift booms** (10m / 12m only)

**Computerised auto spray rate controller** automatically adjusts spray application rate to forward speed.

### Triple nozzle assemblies

enable the operator to select from a choice of 3 nozzle sizes for various applications.

### Other Optional Extras

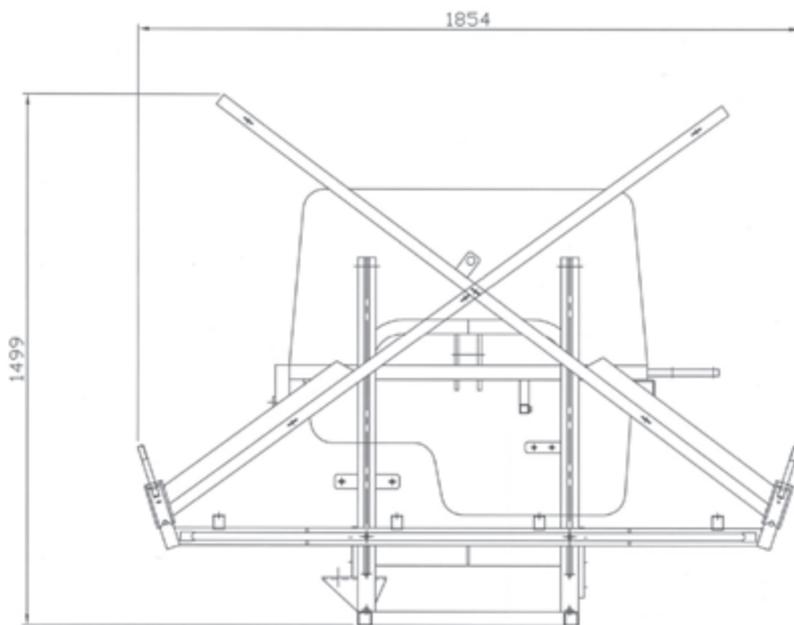

- Retractable hose reel and hand lance kit
- GPS boom section switching and mapping
- Stainless steel spray lines
- Bout / foam marker
- Hose holder for tank filling
- Upgraded 110Lpm diaphragm pump

# Team Club

## TECHNICAL SPECIFICATIONS

Item	Dimension
Tank capacities [L]	300, 400, 500, 600, 800
Pumps (type / L per min)	Poly 2073 / 73
Boom lengths [m]	4, 6, 7, 8, 10, 12
Weight [Kg]	175 (300L x 6m); 285 (600L x 12m)
Total height [m]	1.6 (6m); 2 (12m)
Total width [m]	1.9 (6m); 2.4 (12m)
Rinse tank [L]	50
